

Buy a duck and change the world!

This year's "Duck Pluck" will take place on May 1, 2021, virtually. The winning ducks will be plucked out of PDG Michelle Bell's hot tub during the District Conference!

Here's how it works:

1. Each club and individuals from that club will be represented by a single duck in the race.
2. The first three ducks to be plucked will be the winners. Once the winning three clubs have been determined a computer pick at random will occur to choose one winner of a Paul Harris Fellow designation for each of the three winning clubs.
3. Each club participating in the race will receive Foundation Paul Harris Fellow points for the full amount of dollars contributed by the club through the purchase of ducks.

Ducks are \$5 each and checks can be made payable to The Rotary Foundation and mailed to (must be mailed to arrive by April 20, 2021):
